

FiRe in Your Room

Evacuation advice
Plan your escape

Fire Risk Management Unit

1

Get down low and **stay under** the smoke

2

Leave and **CLOSE** the door to your room

3

- **Alert others** as you leave and assist if safe to do so
- **Never go back** into a burning room or building

4

- CALL 000** (zero, zero, zero)
- From a mobile phone
 - Or a neighbour's phone
 - Ask for **FIRE**

5

MOVE to assembly area nominated on the emergency evacuation plan for your Rooming House and remain there.

Note: You should become familiar with the **EMERGENCY EVACUATION PROCEDURE** floor plans that are located in the main passageways of your Rooming House.
